PREFACE

IN presenting the Seventieth Annual Edition of the City of Hamilton Directory, we thank the business men and patrons in general for the liberal and enthusiastic support they have given us.

The number of names in the Alphabetical Section is 89,645. Wives' names approximate 35,400 making a grand total of 125,045 names in this section of the Directory.

The Street Directory shows some 45,750 listings including Householders, Firms, Offices, Buildings and Institutions. Our estimate of the population of the City proper is 190,750.

There are a number of persons whose names are in the directory who just live outside the city limits, and others who live in nearby municipalities including Bartonville, Hamilton Beach, Normanhurst, Strathbarton and Strathearne, so the residential and working population of Greater Hamilton is 201,701.

While the increase in the population of Hamilton and adjoining territory this year seems extraordinary, it may be accounted for by the fact that in every case where the husband has enlisted and left the city his name has been included as a resident, provided his wife is living here. This inclusion, with the influx of new residents, makes up the increase of population.

What's In A Name?

When it comes to making a Major Purchase, such as a PIANO, this is when a Name, time tried and time honoured, takes on a very special significance.

The name HEINTZMAN has stood for the Highest in Quality ever since Heintzman Co. were founded away back in 1850.

Pay no money in advance to Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of Vernon Directories Limited printed thereon. **We ask no payment until the work is delivered,** and **our solicitors have strict orders not to take payment in advance for either advertising or subscriptions.**
